## Introduction to NVRA

### Background

In 1993, Congress passed the National Voter Registration (NVRA). In 1994, Georgia passed legislation to implement the NVRA, to be effective January 1, 1995.

### Intent of the Law

The main intent of the NVRA is to encourage voter registration by providing new and innovative ways to register to vote. With NVRA, several new types of voter registration were added to the registration opportunities already provided under Georgia law which included:

- Mail registration
- Registration at offices where driver's licenses and identification cards are issued
- Registration at offices where persons apply for public assistance or which administer programs for the disabled, such as Food Stamps and Rehabilitation Services
- Registration at county and municipal registrar offices
- Registration at public libraries

### Role of the Secretary of State's Office

The NVRA requires that each state designate a chief election official to be responsible for coordination of the state responsibilities under this act. The Secretary of State has been named the chief election official for Georgia.

Under state law, the Secretary of State is charged with establishing and maintaining a statewide voter registration system. The system must be capable of meeting federal requirements for maintaining lists of eligible active voters and those voters considered inactive. The Secretary of State is responsible for overseeing statewide list maintenance activities and functions required under federal and state laws. These relate to updating voter information and removing ineligible persons from the voter lists.

## Voter Registration in Georgia

### **To be eligible to register to vote, a person must:**

- Be a citizen of the United States and a legal resident of Georgia
- Be at least 17 1/2 years of age (at least 18 years of age to vote).
- Not be serving a sentence for a conviction of a felony involving moral turpitude
- Not have been judicially declared to be mentally incompetent

### **Register to vote at the following Georgia locations:**

- County and municipal registrar's office and other fixed voter registration sites
- Driver's license branch office (Department of Public Safety)
- Public Assistance offices which offer the following:
  - Food Stamp program
  - Medicaid program
  - Women, Infants, and Children (WIC) program
  - Aid to families with Dependent Children program
- Public Libraries
- Department of Labor – Rehabilitation and other offices which provide state-funded programs primarily engaged in providing services to persons with disabilities
- Recruitment offices of the Armed Forces

## Registering to Vote at Libraries

Persons can register to vote when applying for or renewing a library card or changing name or address at a library. Library personnel are required to:

- Offer the opportunity to register to vote each time an applicant applies for or renews a library card (including change of name or address).
- Assist applicants in completing the voter registration application when assistance is requested.
- Accept completed voter registration applications and mail them to the Secretary of State's office.
- Provide the same degree of assistance to each applicant in completing the voter registration application as the library provides to an applicant in completing its own forms.

### The Registration Paperwork

Two forms are used when assisting applicants with voter registration:

#### Georgia Voter Registration Application (Appendix "A")

This is an official application used to determine voter eligibility. Forms should be completed by the applicant as accurately as possible to ensure timely processing. The library is responsible only for making sure that the application is complete. The library is not responsible for making sure that the information is correct.

#### Declaration Statement (Appendix "B")

This form documents that the applicant was offered an opportunity to register to vote when applying for, renewing, or updating library services. These forms are legally required to be kept on file by the library for a period of not less than 24 months.

(P.I.N.E.S. libraries enter in all declarations electronically)

### Assisting the Applicant

Offer the applicant the DECLARATION STATEMENT with the following question:

*"If you are not registered to vote where you live now, would you like to apply to register to vote here today?"*

If the answer is "No":

Ask the applicant to fill out the declaration statement indicating that he or she does not wish to register to vote. Have the applicant check an answer to the question and sign the form. Retain the declaration statement as a record of declination. If the patron fails to indicate on the form whether he or she wants to register to vote, the applicant is considered to have declined to register to vote.

If the answer is “Yes”:

Ask the applicant to fill out the declaration statement indicating that he or she wishes to register to vote. Retain the declaration statement as a record of acceptance.

Georgia law requires that all applicants be asked if they are a U.S. citizen should they express the desire to register to vote. Offer the voter registration application with the following question:

*“Are you a United States citizen?”*

If the answer is “No”:

If they are not a U.S. citizen, the process stops at that time and this is counted as a declination for recording purposes. Complete the declaration statement with the person’s name, the date, and a notation in the comments section that the person is not a U S citizen.

If the answer is “Yes”:

Offer the applicant the **VOTER REGISTRATION APPLICATION (Appendix “A”)**

The form should be filled out by the applicant. If the applicant is physically disabled or illiterate, he or she may request physical assistance in filling out the form. The applicant **MUST** make his or her mark or sign with an “X” on the signature line. If the library representative assists the applicant in completing any written portion of the voter registration application, the library representative **MUST** also sign the form.

### **Conversations with Applicants**

Conversations with applicants should be handled with sensitivity. When a library offers applicants the opportunity to register to vote, library personnel **must not**:

- Try to influence an applicant's political preference or party affiliation.
- Display any political preference or party allegiance.
- Make any statement or take any action which would discourage an applicant from registering to vote.
- Make any statement or take any action which would lead an applicant to believe that registering to vote has any bearing on receiving services from the library.

## Submitting Applications to the Secretary of State

To ensure timely processing of applications, completed voter registration applications must be mailed to the Secretary of State's office as follows:

**LIBRARIES ARE REQUIRED TO MAIL ANY COMPLETED VOTER REGISTRATION APPLICATIONS WEEKLY. THE EXCEPTION TO THIS RULE IS DURING THE 15 DAYS PRIOR TO ANY REGISTRATION DEADLINE WHEN SUBMITTAL OF ANY COMPLETED APPLICATIONS TO THE SECRETARY OF STATE ELECTIONS OFFICE MUST BE MADE DAILY.** Election calendars can be found at: [www.sos.ga.gov/electionconnection/libraries.htm](http://www.sos.ga.gov/electionconnection/libraries.htm)

**Note:** If you do not have any completed applications, you do not need to submit anything to the Secretary of State's office.

Mail the applications in the pre-paid envelope provided by the Secretary of State's office. You may either include a daily recap sheet (or similar agency identifying sheet) with your submittal, or you may print or stamp the following on the pre-paid envelope:

Supervisor and Facility Name  
Address  
Phone Number

## Agency Paperwork

### Declaration Statements (Appendix B)

You must keep declaration statements for 24 months. Keep a monthly file. Use this file exclusively for declaration statements. Do not keep these declaration statements in client files.

The Secretary of State's office recommends setting up a file containing 25 folders. Create one folder for each of the 24 months. At the end of the 25th month, destroy the contents of the first folder and create a new folder for the next month.

(P.I.N.E.S. libraries will maintain declaration records electronically)

### Daily Recaps (Appendix C)

Each library shall maintain statistical records on the number of registrations and declinations. A Daily Recap Form may be used for this purpose and is available for download at Election Connection at [www.sos.ga.gov/electionconnection/libraries.htm](http://www.sos.ga.gov/electionconnection/libraries.htm)

### Ordering Materials

You should keep a two-week supply of applications, envelopes, and forms. Supplies can be ordered and/or downloaded from the Secretary of State Public Library portal at: [www.sos.ga.gov/electionconnection](http://www.sos.ga.gov/electionconnection).

## Handling Questions

Library representatives and applicants will have questions about this process. Typical questions are listed below.

Q: What if the applicant wants to take the application and mail it later?

A: The applicant may take the application, complete it, and mail it later. This counts as a declination for record keeping purposes.

Q: What if the applicant refuses to provide responses to any of the questions on the voter registration application?

A: Continue processing the application. The county registrar will obtain missing information later.

Q: What if the applicant refuses to sign the voter registration application?

A: This counts as a declination. Ask the applicant to fill out a declaration statement indicating that he or she does not wish to register to vote. Mark box 3 on the original declaration statement signed by the applicant. Make a notation in the Comments section of "refused to sign." Retain the declaration statement as a record of declination. Mail the incomplete application to the Secretary of State's office with the completed applications.

Q: What are the requirements for being able to register to vote?

A: The requirements are listed on the voter registration application. To register to vote, a person must:

- Be a citizen of the United States and a legal resident of Georgia.
- Be at least 17 1/2 years of age (at least 18 years of age to vote).
- Not be serving a sentence for a conviction of a felony involving moral turpitude.
- Have not been found mentally incompetent by a judge.

Q: What if an applicant wants an application for a spouse or family member who is not in the library, or is not requesting library services?

A: Give the applicant a voter registration application to give to the individual.

Q: What if an applicant asks questions about election dates or polling locations?

A: Refer the applicant to the telephone number listed on the application.

Q: Does an applicant have to register to vote again when he or she moves?

A: Yes. When a person moves to another county, he or she must register in the new county at least 30 days before an election to be eligible to vote.

If a person moves within the same county, he or she must complete a change of address notification. Persons can use the voter registration application form, or they can send in their current precinct card with the changes. In any case, a person must change his or her address at least 30 days before an election for the change to be effective for that particular election.

Q: What if an applicant wants to register at an address other than his residence?

A: The applicant must register using his or her residence address; the mailing address can be different.

Q: What if an applicant is moving in a few weeks and wants to register using the new address?

A: The applicant must register using his or her current address. After the applicant moves, he or she can complete the “change of address” portion on a voter registration application and submit it to the county registrar.

Q: What if an applicant is not sure he or she is eligible to register to vote?

A: Refer the applicant to the telephone number listed on the application.

Q: What if an applicant is homeless and does not have a residence address?

A: The applicant should use the physical address which he or she considers his or her home (for example, 1-20 West under bridge at exit 142). The mailing address should be wherever the applicant could pick up mail (for example, a homeless shelter or friend's home). The applicant should also include a drawing of where he or she resides with the application.

Q: Will an applicant have to re-register each year?

A: No. If a person is already registered, it is not necessary to register again unless he or she moves or has a change of name.

Q: Why does an applicant have to provide a driver's license number or the last 4 digits of their Social Security number?

A: These numbers are used to distinguish between voters with similar names and to cross reference voters with identifying information.

Q: If an applicant registers to vote, will the voter registration list be used for other purposes?

A: Yes. However, Social Security number, date of birth, driver's license number, and the location where a person registers to vote are confidential. The remaining voter registration information kept on file with the registrars is public record. Voter registration lists may be used to compile lists of registered voters for use by persons seeking political office, or to check that persons signing petitions are registered voters. Some counties use the voter registration list as one of their sources for compiling a jury list. Voter registration lists may not be used by any person for commercial purposes.
